Subject: Fw: Co-Digestion Capacity Analysis: 9 Missing Large Facilities

Hi Lauren, Elizabeth, and Dave,

Do any of you have good rapport with any of the 9 "missing" facilities mentioned below? If so, I'm wondering if you could e-introduce me to a point-person I could ask for AD capacity information.

This would be to support the EPA multi-purpose grant to the SWRCB, which was then contracted to Corollo. The project is researching co-digestion capacity in CA.

Thanks very much for your help.

Best,
Charlotte
